

Dear Friend,

Thank you for downloading this smile guide. In this easy to read document, I've included answers to the most common questions I hear when it comes to the best options for creating your perfect smile. You have made a great decision. This guide is packed with fantastic info that will show you just how quickly and easily you can gain that perfect smile you've always desired.

Here's a suggested set of actions to take right now.

- 1. Read the entire guide (it should take less than 5 minutes) and write down any questions.**
- 2. Visit <http://www.invisalign.com/smile-assessment> and take the free smile assessment.**
- 3. THIS IS IMPORTANT - Call [708-403-8999](tel:708-403-8999) or visit <http://dentistorlandpark.co/contact-us/> to schedule your Invisalign consultation TODAY (It's FREE and I'll answer any and all questions you've written down from Step 1).**

You know, not enough people today appreciate their customers and they neglect to conduct business with simple courtesy. I don't want to be like that. I REALLY appreciate that you took the time to download this guide from me. Thank you!

I know you'll make the right decision when it comes to gaining your perfect smile and I can't wait to get started with you.

So call my office right now on [708-403-8999](tel:708-403-8999) and schedule your FREE consultation with me TODAY!

Sincerely,
Dr. Scott Lang

Not sure whether to choose Invisalign or braces?

Consider these added benefits that our patients rave about!

Virtually Invisible

Which means no one needs to know you're in treatment!
All photos during treatment will be braces free!!

Removable

No Food Restrictions

You can eat what you want & no special food preparation needed!

Brushing and Flossing is normal!
Your teeth & gums are easy to keep clean and healthy.

Comfortable & Safe

No wires or brackets to cut or irritate your lips and cheeks.

Advanced technology allows tooth movement to be divided into smaller increments leading to **less discomfort**.

Because it is easy to keep your mouth clean the risk for decalcification is greatly reduced
(a permanent change in the appearance of the enamel of your teeth)

Time Saving & Flexible

Invisalign is ideal for your busy lifestyle with fewer doctor visits and typically less time per visit.

Since there are **no brackets to break**, there is less risk of added appointments that may conflict with school, activities and/or work.

FEEL CONFIDENT IN YOUR SMILE.

Ask if Invisalign® is right for you.
The clear alternative to braces.

Metal Braces vs Invisible Aligners

Flossing with Braces

Remove Invisalign® to floss

Possible inflamed tissue with Braces

No inflamed tissue with Invisalign®

No decalcification with Invisalign®

- Aligners replaced every 2 weeks
- Appointments 6-8 weeks
- Teenagers prefer Invisalign® 7-1 over braces
- .5% of all Invisalign Teen® wearers need the replacement aligners
- 85% Fewer Emergency Visits over braces
- 22% Fewer visits overall
- Easier to keep your teeth clean
- Great option for active lifestyles: Sports, Musical Instruments, Theatre

Attachments help your teeth move.

Compliance

Gauges approximate wear time.

Compliance Chart

To ensure aligners are worn 20-22 hrs a day.

Six Replacement Aligners

Reduces worries over lost aligners.

Eruption Compensation

To accommodate naturally erupting permanent teeth.

FOODS TO AVOID WHILE WEARING BRACES :

- Caramel, Toffee, Licorice, Gummy Bears, Now & Later, Starburst, Tootsie Rolls, Sugar Babies, Swedish Fish, Lemon Heads, Sour Patch Kids
- Apples, carrots, nuts, popcorn, tortilla chips, pretzels, corn on the cob, ice, bagels, pizza crust, jerky
- Soda, Red Bull, Rock Star, anything colored or filled with sugar!
- And no fingernail, pen or pencil chewing!

With Invisalign®, no restrictions on the foods you eat, simply take out your aligners.
