*Thank you for choosing us as your dental health care provider. We are committed to your treatment being pleasant and successful. We are always looking for better ways to serve our patients while remaining consistent in our commitment to excellent dental care.*

*Our costs of operation continue to increase and we do not want to lower our dental care standards. We have established a financial policy that will offer numerous ways for you to handle the financial responsibility of your dental care. We believe that this policy will prove to be a service to you and your family.*

*1. A 5% discount would be given if you pay in full with cash, check or credit card for treatments over \$ 1,000.00.*

*2. We will file your primary insurance as a service to you and will do our best to maximize your benefits. We ask that you take care of your estimated portion of payment at the time of service.*

*3. Treatment can also be paid with 3 equal monthly payments with a credit card or check if a payment arrangement is needed.*

*4. 12 month interest free financing is available through our financing partner CARE CREDIT.*

*These financial options will meet the needs of most families in our practice. We will do our best to work out a financial solution for your particular situation. We are here to help you.*

*Sincerely,*

*Dr. Scott Lang and Staff*
